

RELATIONSHIP DIVIDENDS

HOW WE REWARD LOYALTY

When MTC Federal grows, so does your dividend.

As a credit union, we return profits to the membership. One way we do that is through dividends. The **Relationship Dividend** is paid at the end of the year, based on how many products and services you use. **It's cash, deposited directly into your account.** This kind of perk is one you won't find anywhere else.

How to get the most out of your Relationship Dividend
